Parikrma Humanity Foundation to host its 14th Annual Day

@ Koramangala Indoor Stadium, Bengaluru 07-04-2017 09:00 AM / 07-04-2017 09:00 PM

Parikrma Humanity Foundation will be hosting its 14th Annual Day on April 7, 2017. The theme of the event is 'Imagine - One World'.

Annual Days are very special at Parikrma; they are choreographed by the children and an expression of all that they learnt in school. This year, as Parikrma steps into its 15th year of operation, the annual day will see all its 5 centres come together in creativity and spirit. The event will witness an audience of more than 2500 people - all eager to celebrate Parikrma's progress.

What stands out as unique about this year's Annual Day is that it will be more like a community initiative. For the first time, Parikrma is looking to have over a thousand of its students' parents attend the event and support their children. Given the students' backgrounds, having their parents' support becomes very important as it will give the staff a chance to talk to them about their child's progress in the last academic year. Besides, it is also an opportunity for parents to motivate their community in the slum regions of Bangalore about the importance of education in shaping a child's future.

This year, the Annual Day will be even more special. Over and above the large scale of the event, the programme themed on 'Imagine –One World' is a completely authentic Musical, composed and scripted by the children. It is inspired by John Lenon's song 'Imagine'. Since all the four Parikrma centres are coming together on the occasion, it will be a perfect opportunity to display a sense of oneness and harmony which is the overlying message of the day. Each of the four schools and the junior college have chosen an ancient human civilisation such as the Chinese Dynasty, the Indus Valley Civilisation, the African Civilisation, the Egyptian Civilisation and Native American Civilisation. The Musical depicts the values of these cultures and how the importance of sustaining one's roots and connection to nature should not be lost to modernity and development. The overlying message is to find the perfect balance between one's roots and the future of a modern and digital world.

The Musical will also have special sound and visual effects displayed on a 36 ft wide LED screen. This will give the children's live performance a 3-D effect.

Date – 7th of April, 5 pm onwards
Where – Koramangala Indoor Stadium
