STEVE'S CHALLENGE

At the St. George Melbourne Marathon

Help the poorest children from the slums of Bangalore, India get an education!

Support Steve Dance as he runs 42.195 km at the St. George Melbourne Marathon on October 9 to help educate 100 children. You can pledge any amount for each km he runs or a lump sum amount for the entire race. Last year the average time taken was 4hrs: 18 mins. As an added challenge, Steve is aiming to run the marathon in less than 4 hrs. You can encourage him further by pledging an added amount in the 'Under 4hr challenge' column.
