CISCO TO HELP PARIKRMA SCHOOLS

DC CORRESPONDENT
BENGALURU, JULY 12

It was a day to remember for these students, who are mostly from the disadvantaged groups and studying at the four branches of the Parikrma Center for Learning in the city. They were part of the launch of CISCO Enabled Education Development Academy (CEED) in their schools. With this, Cisco helps Parikrma to enable digital education through its technology. Highlight of the event was the finals of the Spelling Bee competition organised by the school for the children of these four schools which was conducted through this innovative technology. Students of the four Parikrama schools from Jayanagar, Koramangala, Nandini Layoutand Sahakaranagar took part.

Mr Dinesh Malkani, President, Cisco Systems, India & SAARC, witnessed the finals. He later told the students that technology can bridge the gap and students must utilise all the facilities to ensure that they will move forward in life. Archana Sahay and Shukla Bose, of Cisco were present.
