

Parikrma certified as Great Place to Work®

This award recognizes best in class workplaces and company cultures across the world, based upon its people practices and employee responses to the Great Place to Work® Trust Index™ Survey
We are super thrilled!

Parikrma wins the Education Excellence Award 2020

We are happy to inform you all that we just won the Indian Achievers' Award 2020 for Education Excellence in recognition of outstanding achievement in education and inspiring social contributions.

Here's how you can contribute!

You can either donate your old smartphones or donate 2000/- the cost for a refurbished tablet - by doing so, you will be helping children in the slums have access to online education. You can check out our website www.parikrmafoundation.org

“
In the recent NSSO survey, it was observed that while 24% of Indians own a smartphone, only 11% households possess any type of computer. This could include desktop computers, laptops, notebooks, net books, palmtops or tablets. This shows how unequal access to devices can impair online learning.

YOU CAN MAKE A DIFFERENCE
FIND OUT HOW!

More achievements :)

97% SCORED!

Meet Uday - he scored 97% in the recently announced SSLC results. A 100 in math and 96 in science :) Last year, he was selected and was part of the Global Youth Leadership Summit held in San Diego. His teachers are ecstatic and so is our lil' champ!

IN TOP 10...

At this year's Changemaker Challenge by Inventure Academy, our Junior College students qualified to the top 10 out of 100+ teams all over the country. The topic was to Reimagine Education during COVID. They worked on a concept idea to motivate first generation learners using a scoreboard, while they were paired and worked as a DUO to progress in levels. "Duo Olympics"(the name given to this project) ran a pilot program for a week & witnessed a sudden increase in interest among students who were barely submitting their regular assignments :)

You are important!

Have ideas to help us with our campaigns, any suggestions / feedback, want to be a Parikrma Champion, or want to send a positive message to our children? How about a video message? We would love to hear from you! Please write to us at ganak@parikrmafoundation.org

THANK YOU
